The Drew styles Canton, Cambridge and Clayton provide a heel and sole look rather than a wedge unit, and are available in 6 width fittings

The Gadean options we have available at Happy Feet Pedorthics give the option of more width and depth for the more challenging foot in a range of styles and your colour of choice!

For men at Happy Feet Pedorthics it is often a lot easier with the like / don't like talk because at the end of the day the need is for comfort and the long pants cover most of the shoe!
