Mary Jane

Gadean – colour of choice

The Drew shoe – Summer has a classic rounded toe. Mary Jane said “Even with my very straight foot I put these on and danced all night!” Available in black, navy and pewter in 3 width fittings.

For most Happy Feet Pedorthics clients it is about comfort and colour for major part of the special event, with straps, heels, bling and more only for the photos!

Gadean – colour of choice

Ask us about the orthopedic stiletto to give more cushioning to your feet sometimes with the addition of metatarsal pad to relieve your such very sore soles of your feet! It's all about the comfort at Happy Feet Pedorthics!

We all dream – of what we would love, but you really know will not work for your feet - even if just for the photos. This is where the Gadean option steps in! Comfort in your choice of colour! And smiles the whole event long!

Gadean – colour of choice

Something more dressy – for the wedding, the party, the special event!

The pedorthic challenge! At Happy Feet Pedorthics we celebrate clothes, personalities and happy feet with comfort, giving happy faces!

The Drew Range gives clients at Happy Feet Pedorthics style options basic colours and available in 5 widths. For those who need the width and depth with a more dressy toe the Drew range is worth some thought.
